OTHER DETAILS

You pick the featured painting! See paintings at www.PurpleEasel.com. Events are 90 minutes long. We arrive 90 minutes before to setup and require an hour after to clean up. Plan extra time to get kids in and seated as well as time to exit, taking their finished paintings with them. We use high quality acrylic paint. The paint dries quickly so kids leave with artwork in hand (note, paint can dry permanent on fabric). We supply aprons for everybody. We'll need access to Electricity and Water. With large groups we project the image of the featured painting for students to look at for reference. We bring our own sound system and microphone.

A deposit is required to secure the date and time of your event

The deposit is the quoted price times the minimum amount of painters

For events with over 40 painters your deposit will be 80% of the anticipated group size | Balance due on Event Day

A full refund is available up to one week prior to the event, 60% if canceled thereafter | Nonrefundable if less painters show day of

For events beyond Ontario California or the surrounding area we charge a \$4 per mile fee from our home studio

We rent tables and stools for non-studio events of 30 or less for \$175
